THE CLAREMONT

★★★★

Situated at the heart of the British Isles, the Isle of Man is a nation steeped in rich natural and cultural heritage. From legends of fairies and giants to historic conquests and parliamentary firsts, our Island is one of timeless beauty and endless diversity – and is much closer than you may think.

At the Claremont, we believe the best way to explore the character and history of a nation is to discover it through the eyes of those who know it best, which is why we've teamed up with Manx National Heritage to give you the chance to create your own story

Trace our culture from some of the oldest civilisations on earth through to the modern day with a choice of exclusive national heritage offers available to ensure that you experience all the Island has to offer, all year round – including unlimited travel on the Victorian Steam Railway, Manx Electric Railway, Snaefell Mountain Railway, Horse Trams and buses, optional VIP guided tours, luxury afternoon teas and unlimited access to all heritage sites.

Visit Tynwald Hill, the meeting place of the oldest continuous national parliament in the world or board the steam train and experience our breath-taking scenery in Victorian style. Re-live the past at the Viking stronghold of Peel Castle, Cregneash Folk Village or Castle Rushen or take a tour through the annals of a history forged from seven king-`dorge the-edge iMuseum, Manx Museum or the House of Mannanan.
